BA in International Relations and Economics
Toronto, Canada
2017 - Present

Certifications French - DELF B2

Also Fluent in Romanian

Work Experience Intern - Digital Finance Institute (Summer 2018 and Summer 2019)

Was one of the main liaisons on a project between the University of Toronto Department of Computer Science Innovation Lab and the Digital Finance Institute. We created a chatbot designed to answer questions about financial technology and investment in Canada, which was launched during Canada FinTech Week this year.

Extra - curriculars University of Toronto Model United Nations (2017-present)

Positions have included, moderator for 2017-2018, Chargé d'Affaires (Communications director) for 2018-2019, VP External for 2019-2020, and currently Secretary General (President) for 2020-2021. Working with the entire secretariat, my responsibilities included: liaising with delegates and their teacher supervisors, ordering all conference materials, managing over 80 staff (including registration, design and branding, public relations), and conference operations.

The Trinity College Literary Institute (2017- present)

Vice-President for 2020-2021 and President for 2020-2021. As this is Trinity College's satirical debating society, much of my role has been in organizing weekly debates and off-campus excursions for students. Additionally, through participating in and overseeing debates, I have greatly developed my public speaking skills.

Model United Nations (2014-2019)

Attended UCCMUN 2014, SOMA 2015 and 2016, SSUNS 2014, 2015, and 2016, THIMUN 2015, 2016, and 2017, QMUNI 2018 and McMUN 2019. Model United Nations requires students to dive deep into research and assume the role of a country in a particular context (either historical or modern, with different issues being discussed) and collaborate with other delegates to develop solutions to real-world issues through good research, debate, and cooperation.
